

# 2010 ANNUAL REPORT

## Sojourn Chaplaincy at San Francisco General Hospital

### HIGHLIGHTS from 2010

**LAUNCHED** a Clinical Pastoral Education (CPE) program, a satellite of the ACPE-accredited program of CPMC, to complement our thriving volunteer program.

**COORDINATED** renovation of the hospital chapel to create a welcoming space for all.

**JOINED** the Supportive and Palliative Care Service, expanding care of those with advanced illness.

*As a chaplain intern with Palliative Care, I prayed with a family in the ICU when life support was removed from their loved one; I sang "Swing Low Sweet Chariot" with a patient and her family before a meeting with her doctors, nurses, social workers, and myself - as her chaplain; and I even shared a good laugh with a terminally ill patient about the delights of Creole cuisine in a sun-room of the hospital. I am discovering and using my "chaplain's voice." I invite conversation on personal values, faith, suffering, grief, and hope - facilitating a 360-degree or holistic view of the people we serve.*
